Nervous Diseases.
There are more nervous than blood diseases. Thus, a weakness of the nerves of the brain causes headache, fits, dizziness, sleeplessness, etc.; a weakness of the nerves of the stomach causes dyspepsia, pain, wind, etc.; of the lungs, makes "weak lungs"; of the liver produces biliousness, constipation, etc.; of the womb induces irregularity, sterility, pains, etc.; of the sexual organs, impotency, etc. For all weaknesses Dr. Miles' Restorative Nervine surpasses all other remedies. Trial bottle free at I. Leist's Drug Store.

ALL PREDICTIONS WRONG.
Storms Prevail Where Fair Weather Was Expected—Snow Storms Follow a Few Hours After a High Temperature.
Weather Officers Puzzled.
New York, May 11.—Yesterday was the warmest 10th of May in eighteen years. All records fail to show that on any previous 10th of May within the period named that the temperature reached 85 degrees by noon as it did yesterday. The weather officers are puzzled at the peculiar meteorological condition that prevails. Storms, according to their calculation, should be raging where clear skies prevail.

SCHWEINFURTH, THE CHRIST.
White Caps Threaten to Give Him a Hot Reception if He Don't Leave.
ROCKFORD, Ill., May 10.—White Caps have notified Rev. George Schweinfurth to leave the city in ten days. If he does not go they say they will break into his house, take him to the woods, strip him, tar and feather him and roast him alive. They claim he is breaking up families. If any one interferes he will be similarly treated. Schweinfurth has employed a night watchman, purchased guns and dogs and proposes to be ready for them. Rev. Schweinfurth is the head of what is known as the Beekmanite sect and is worshipped by his followers as the Christ.

COMMERCIAL UNION.
Professor Goldwin Smith Thinks Canada Is Becoming Anxious for It.
LONDON, May 11.—Professor Goldwin Smith has been enlightening the English with opinions of the prospects of a commercial union between the United States and Canada. The professor has no doubt that Canada is rapidly advancing toward that consummation, provided the Barke of the Union is willing. Free trade with the whole North American continent and free access to their own natural market are practical inducements to Johnny Canuck to seek for a seat at a commercial union with his southern neighbors.

IN PRISON FOR LIFE.
Young Latimer Sentenced for the Brutal Murder of His Mother.
JACKSON, Mich., May 18.—The prospect of Latimer being sentenced to prison for life for the murder of his mother, Saturday, swept the population of the town to the old court house like a whirlwind, and thousands were unable to gain admittance. The prisoner came in in charge of Sheriff Ray. His side whiskers had been shaved, and his face was ashy pale. His nerve returned when he greeted his aunt, Mrs. Young, shaking hands and smiling pleasantly. A moment later Latimer was ordered to stand up by the court for sentence. The sentencing remarks by Judge Peck were interrupted once in awhile by his emotion. They lasted twenty minutes and wound up as follows: "That you be confined in the state prison at hard labor in solitary confinement, for the term of your natural life."

UNION ROOT. In all diseases of women it stands first and foremost as a tonic and regulator. Its value cannot be overestimated as used herein.
TANARACK is tonic, diuretic, alterative and laxative.

Hibbard's Rheumatic Syrup
UNRIVALED in merit. It is a Safe Family Medicine, because it contains no poisons or opiates. Children, invalids and delicate persons will find it the best medicine and tonic they can use. No home should be without it. Always in season, Spring, Summer, Autumn and Winter.
If you cannot procure it of your druggist, send direct to us. Price \$1.00; 6 bottles \$5.00. Plasters 25c.

TESTIMONIALS WORTHY OF CONFIDENCE.
My daughter Maud has used Hibbard's Rheumatic Syrup, which you so strongly recommended her to try for inflammatory rheumatism. Her limbs were badly swollen, and the poor girl was in terrible agony. In the midst of the pain we wound the flasks about her limbs, and, as a result the swelling was reduced and she became quiet and rested. The syrup corrected her indigestion, cleared the rheumatic poison from her blood, and she is now able to be about the house. Hibbard's Rheumatic Syrup and Plasters are remedies of great merit.
